An inviting ambience is a key factor for a comfortable restaurant experience. German made fully moulded laminate table tops are available in an ample selection of designs and shapes to offer the perfect look for every taste. The patented manufacturing process ensures that they retain their beauty for a very long time.

Sun, rain, ashes, acid and grease -table tops have to stand up to a lot, especially outdoors. They are practically im-pervious to mechanical, thermal and chemical influences. The smooth, closed surface that is homogenously pressed onto . the wood material is easy to clean and satisfies the hygiene requirements of the professional catering industry. We recommend lighter decors for tables that are exposed to significant sunlight.

### Terra. The beauty of nature

The exciting Terra collection features an attractive range of diverse decors – from marble and granite surfaces to artistic mosaics. The colour spectrum offers understated grey and beige tones as well as darker nuances. Terra thrives on the diversity of nature.
